It keeps the bowels in a healthy, active condition, and pre-

The churns of old Monroe.

The churns of old Monroe can rival in their products those of any country in the United States. This is no idle beast but the result of close observation and study on the part of one who has availed himself of opport unities to inspect the products of fit teen or twenty of our dairy farms should all be represented at our Fair, and we appeal alike to their owners and to the merchants who control their products, to see that they are represented.

Our Monroe country chrone reported 2525,000 pounds of butter to the sensus of 1880, and yet this was but a tithe of their product; they are making over a million wonder.

Page 180 to the merchants who control their products, to see that they are represented.

People know a great deal more than a making over a million wonder.
